

Please note breakfast club will be starting from Monday 6th September. This will enable us to ensure correct staff ratios for safeguarding purposes. The school gateway will be open on Thursday 2nd September in order for bookings and payment. All places must be booked by 2pm the previous day. In unforeseen circumstances where you have not been able to book before 2pm, please contact the school office as soon as possible and we will check whether we have the correct staffing ratios to accommodate your child. Please do not turn up for breakfast club without booking a space or speaking to the office as your child will not be admitted. This is to ensure we are following safeguarding compliance.
