Dear Parents/Carers,

I am writing to you regarding our PSHE curriculum. As part of our PSHE lessons, the children receive Relationships and Sex Education (RSE). I would like to inform you that children who are currently in year six will be receiving their sex education over the next week.

This will be being delivered by the class teachers and LSA's. The content of the lessons are detailed in both our PSHE and RSE policies. These policies can be viewed on our website at <https://www.engainesprimaryschool.co.uk/about-us/policies>

If you have any questions about any of the above, please feel free to email these to Mrs Hyde at Admin@engaines.essex.sch.uk

Yours faithfully,

Hannah Cater
